

# MODULAR INDOOR CONTAINED PLAYGROUNDS

GREAT PLAY VALUE | ROPE ELEMENTS | CLEAR LINE-OF-SIGHT | LOW MAINTENANCE | FUNKY | MODULAR | CUSTOMISED | WIDE CHOICE OF AESTHETIC & PLAY DIRECTIONS

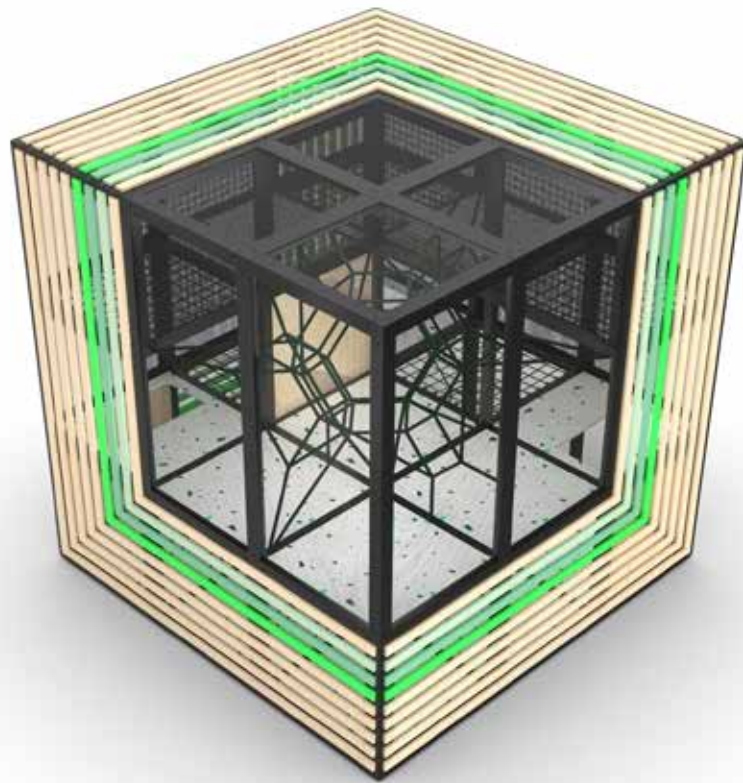

Shopping centers, restaurants, pubs and public spaces today boast high architecture value and stunning visual appeal through their innovative use of steel, timber, interesting facade designs, textures and generous use of stone and composite materials. Our Plug & Play range of playgrounds complement the style statement that these spaces boast through three distinctive styles.

## STYLE 1 - WOODLAND

A thoroughly contemporary design incorporating timber slats that give the structure a wraparound, 3-dimensional look, whether viewed from a child's perspective or a birds-eye view from one of the upper decks of your shopping center.

# WOODLAND | 3x3x3

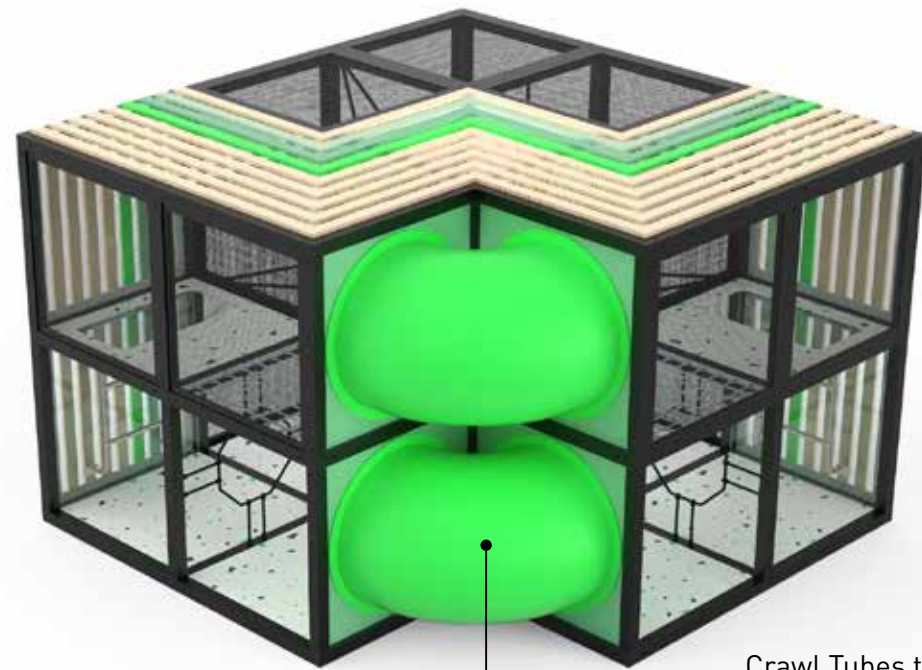

Timber slats pre-set in ready-to-mount square frames for quick and easy installation

Stainless steel mesh panels offer clear line-of-sight into the play area and can bear heavy stress, with minimal cleaning and maintenance

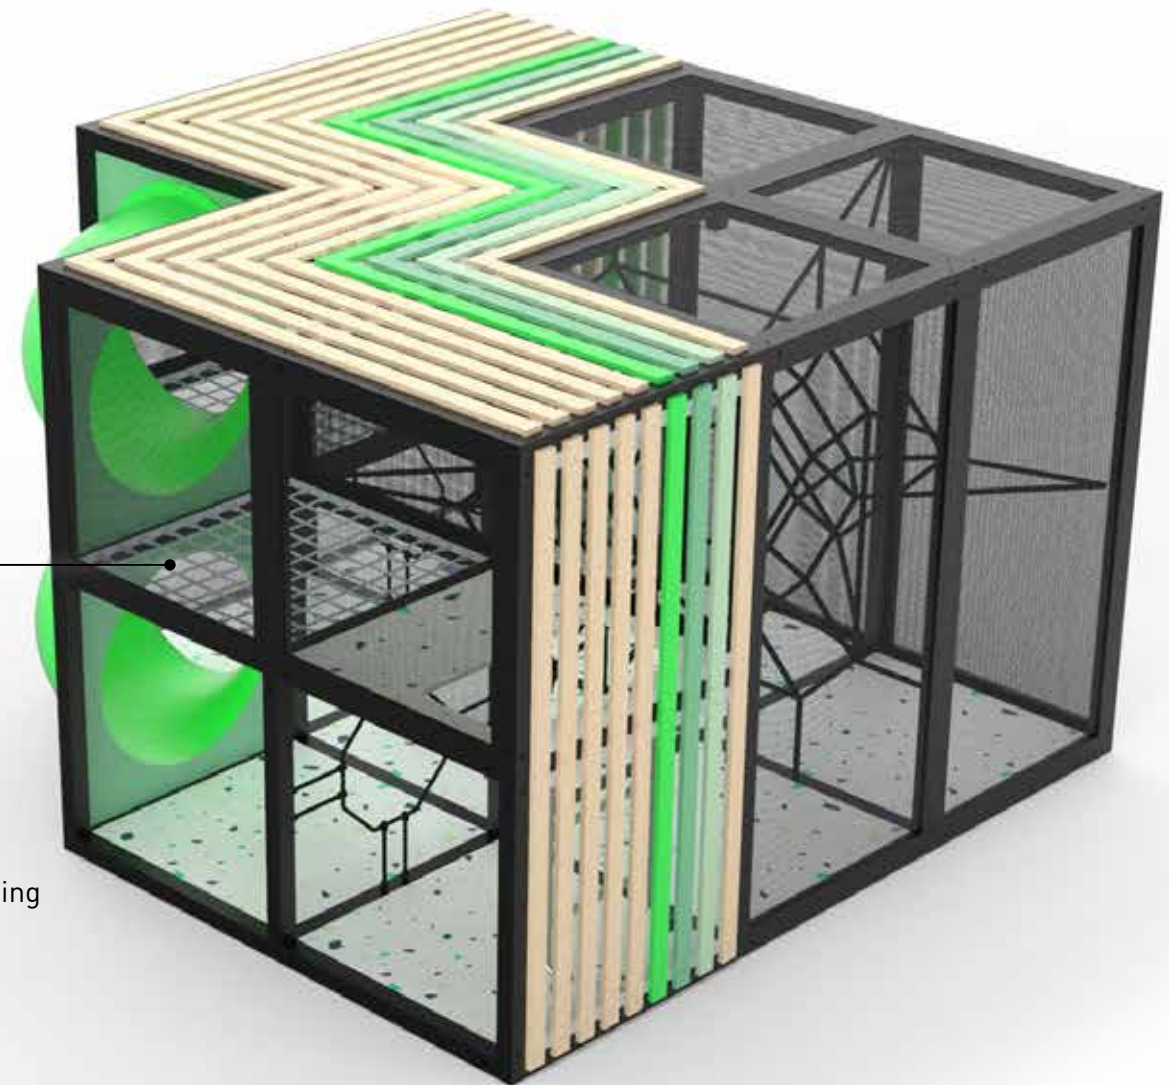

2.0 x 2.0m rope structure for a fun obstacle to climb

Multiple entry and exit ways

# WOODLAND | 3x3x2

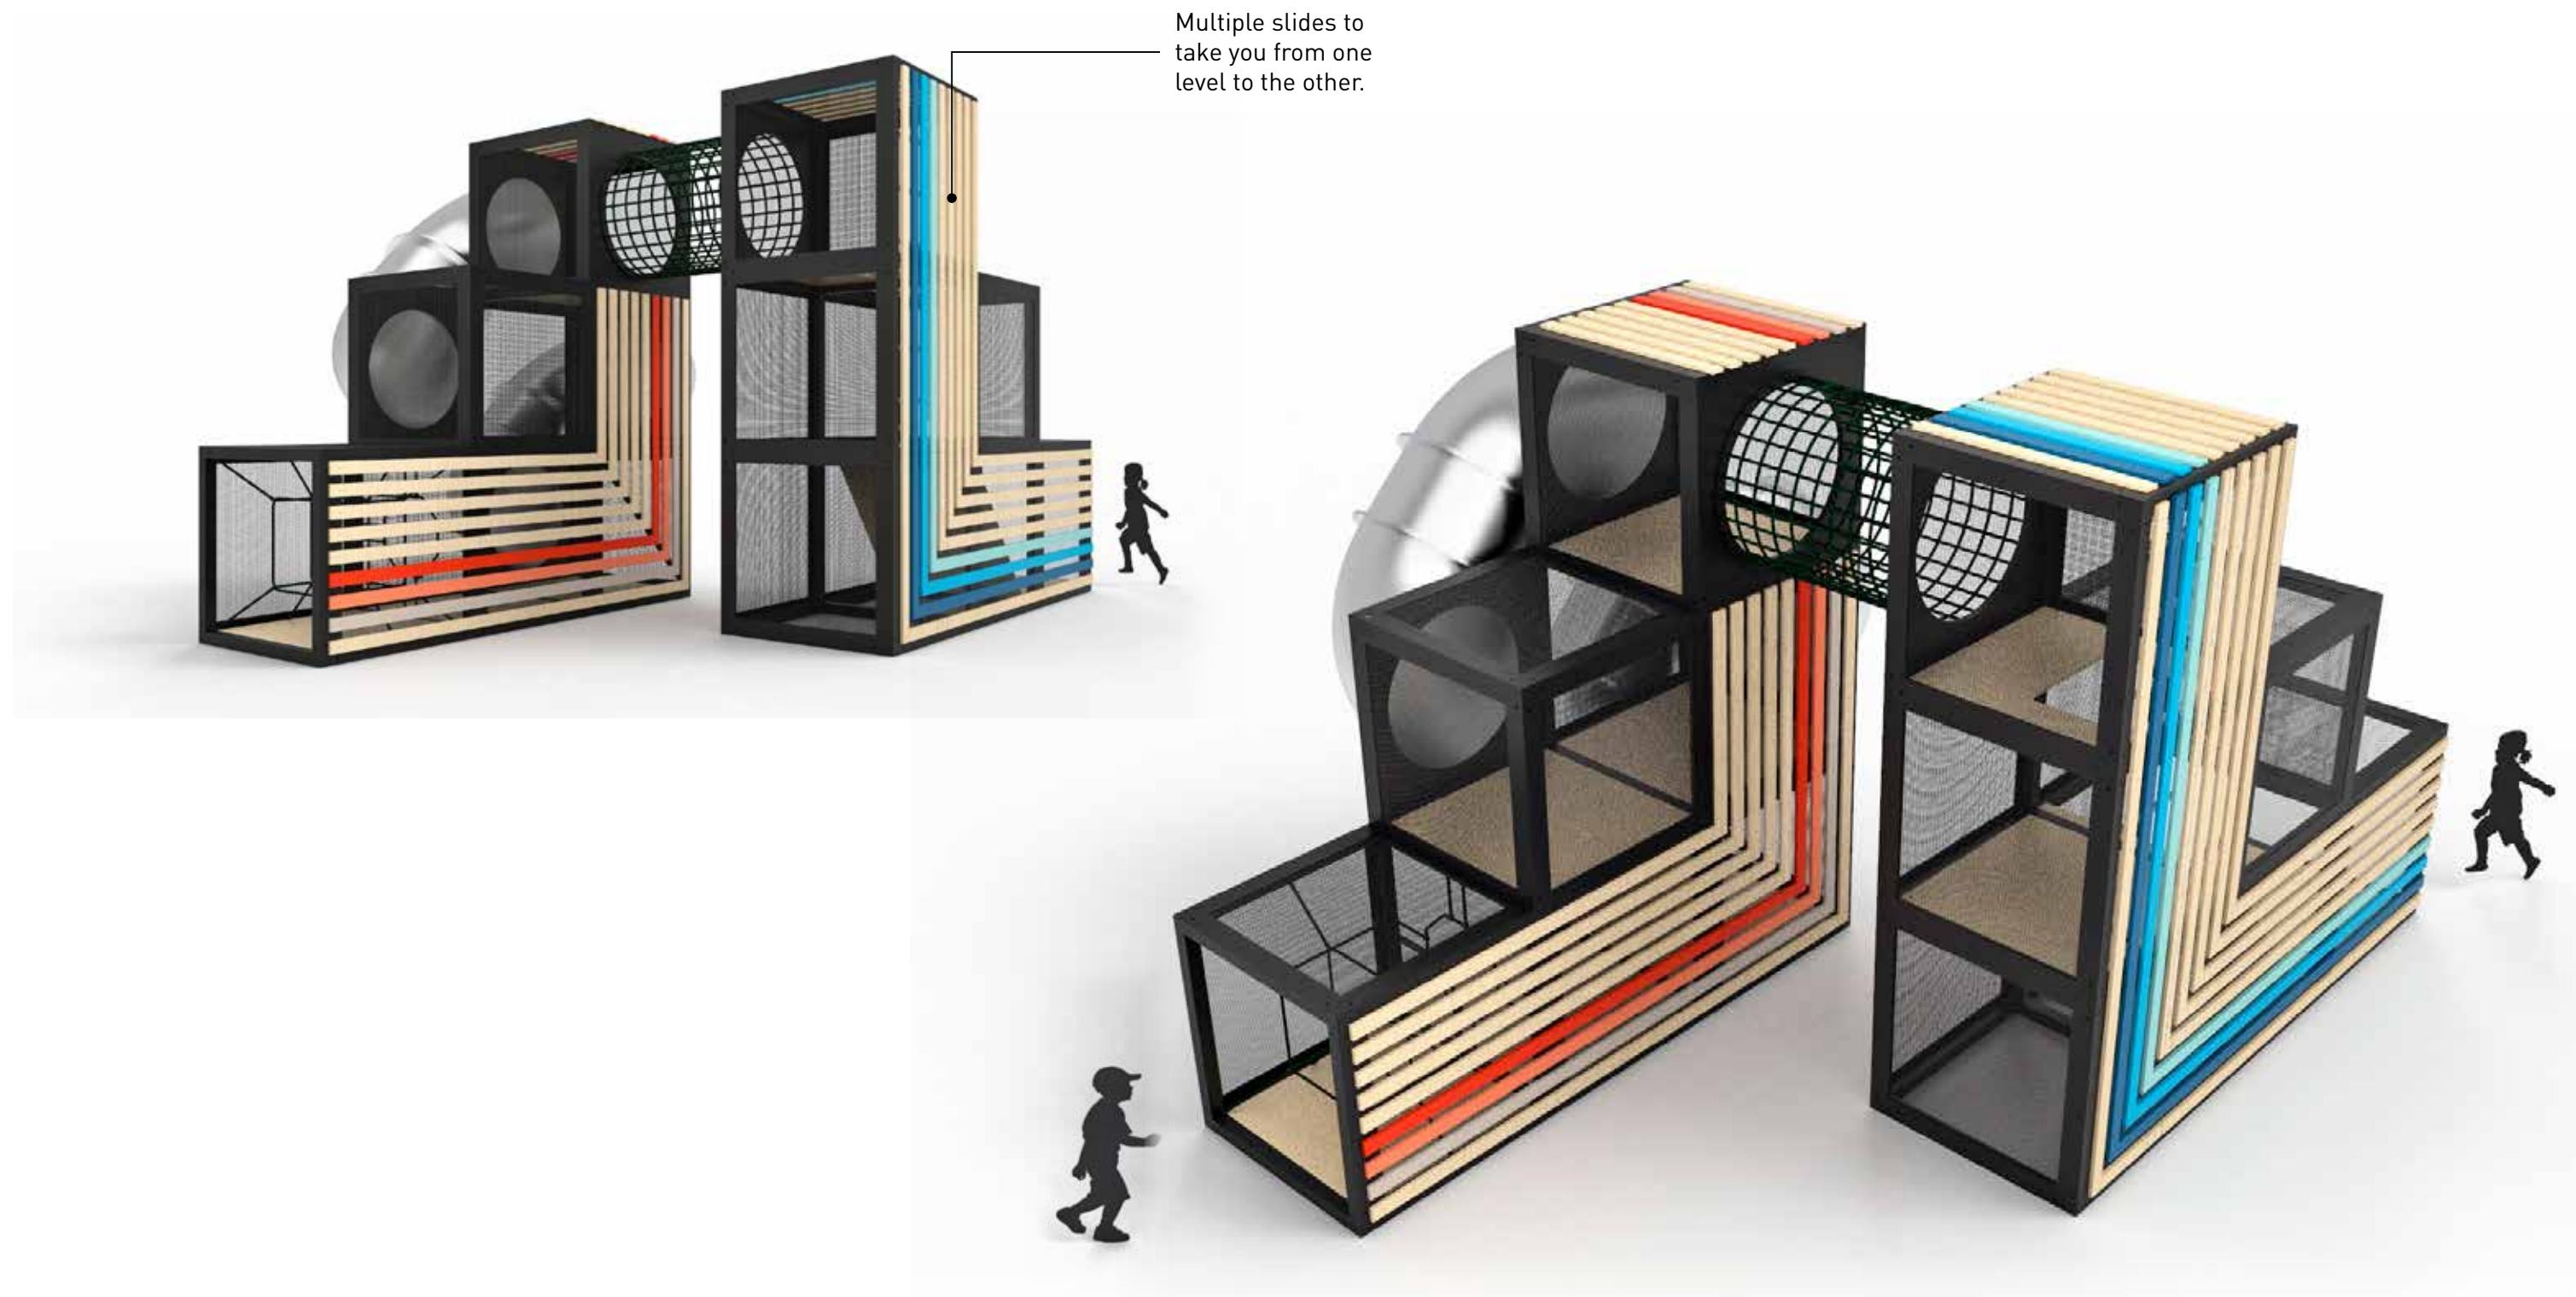

Crawl Tubes to traverse through spaces; available in a selection of colors, and in a Stainless Steel option

1.0 x1.0M rope panel for balancing and navigating

## STYLE 2 - POP

---

Colored transparent panels on the structural framework reflect a kaleidoscopic palette of colors.

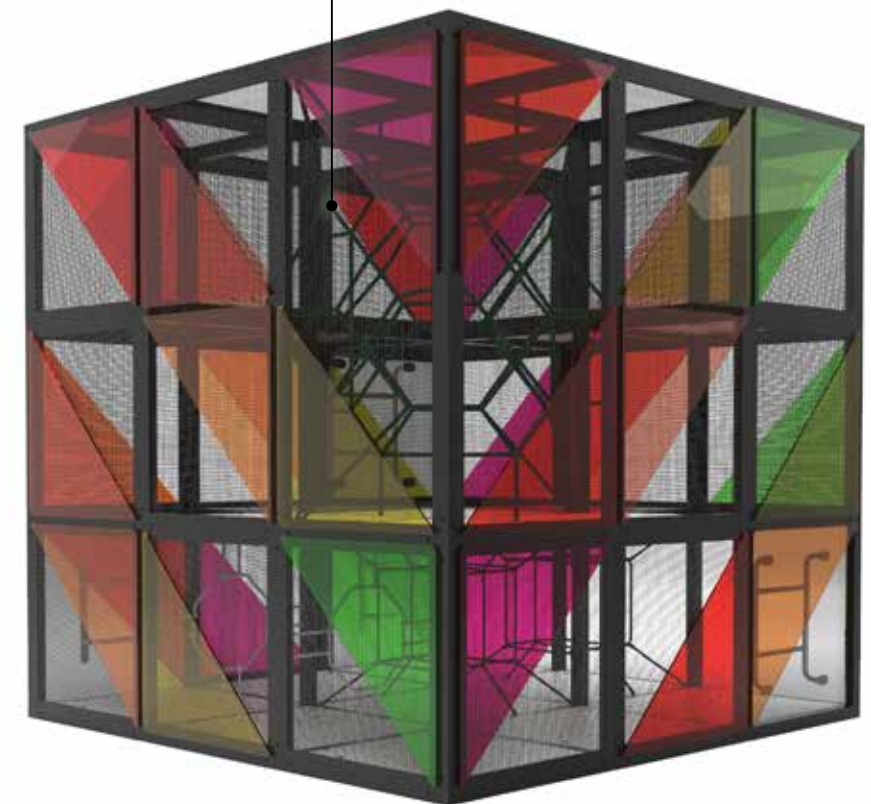

Colored transparent panels mounted offer a kaleidoscope-like range of colors and a clear line-of-sight into the play area

Stainless steel mesh panels offer clear line-of-sight into the play area and can bear heavy stress, with minimal cleaning and maintenance

Multiple entry and exit ways

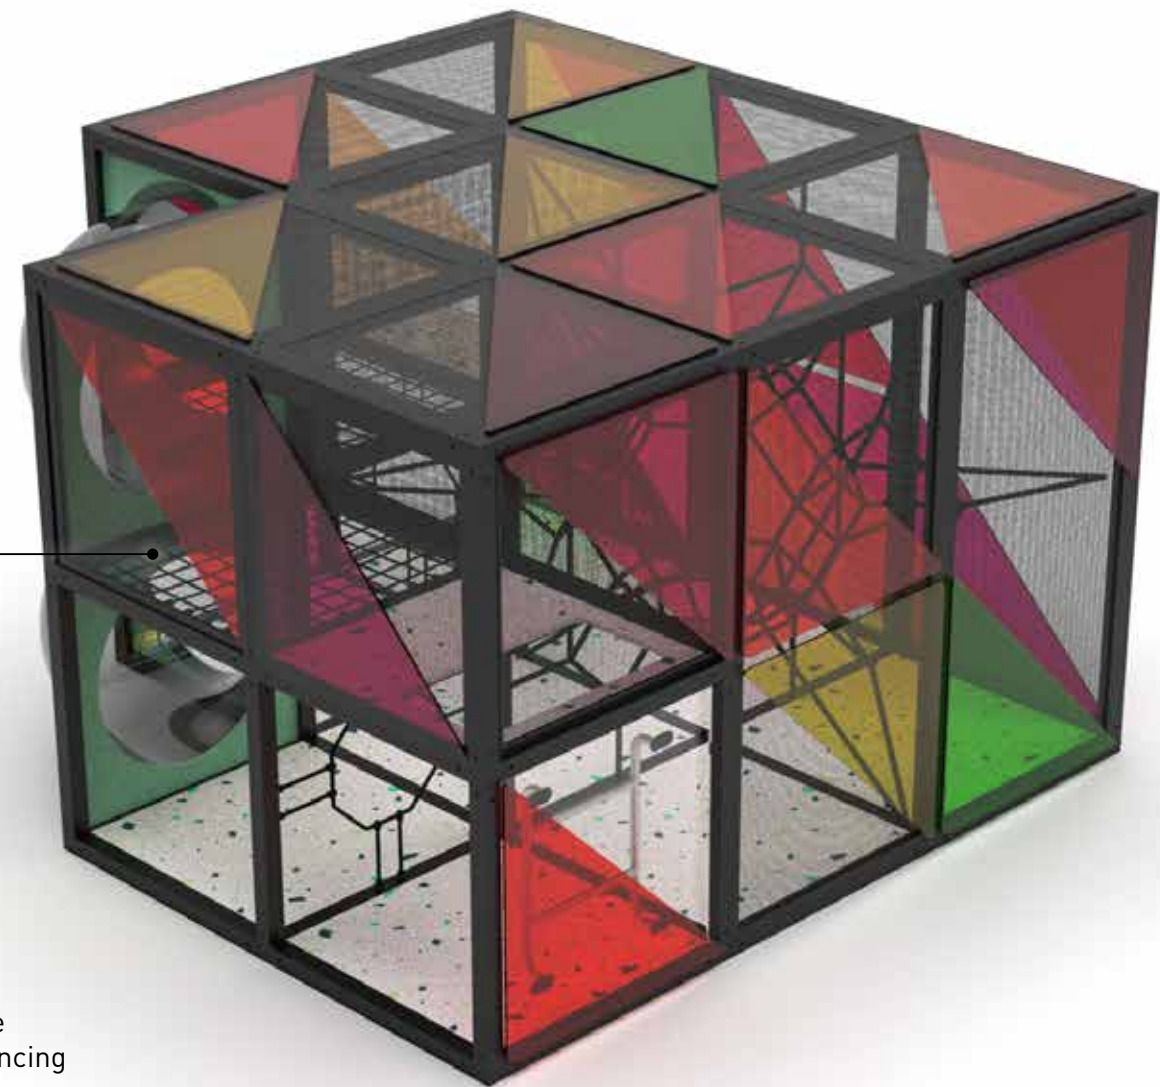

2.0 x 2.0m rope structure for a fun obstacle to climb

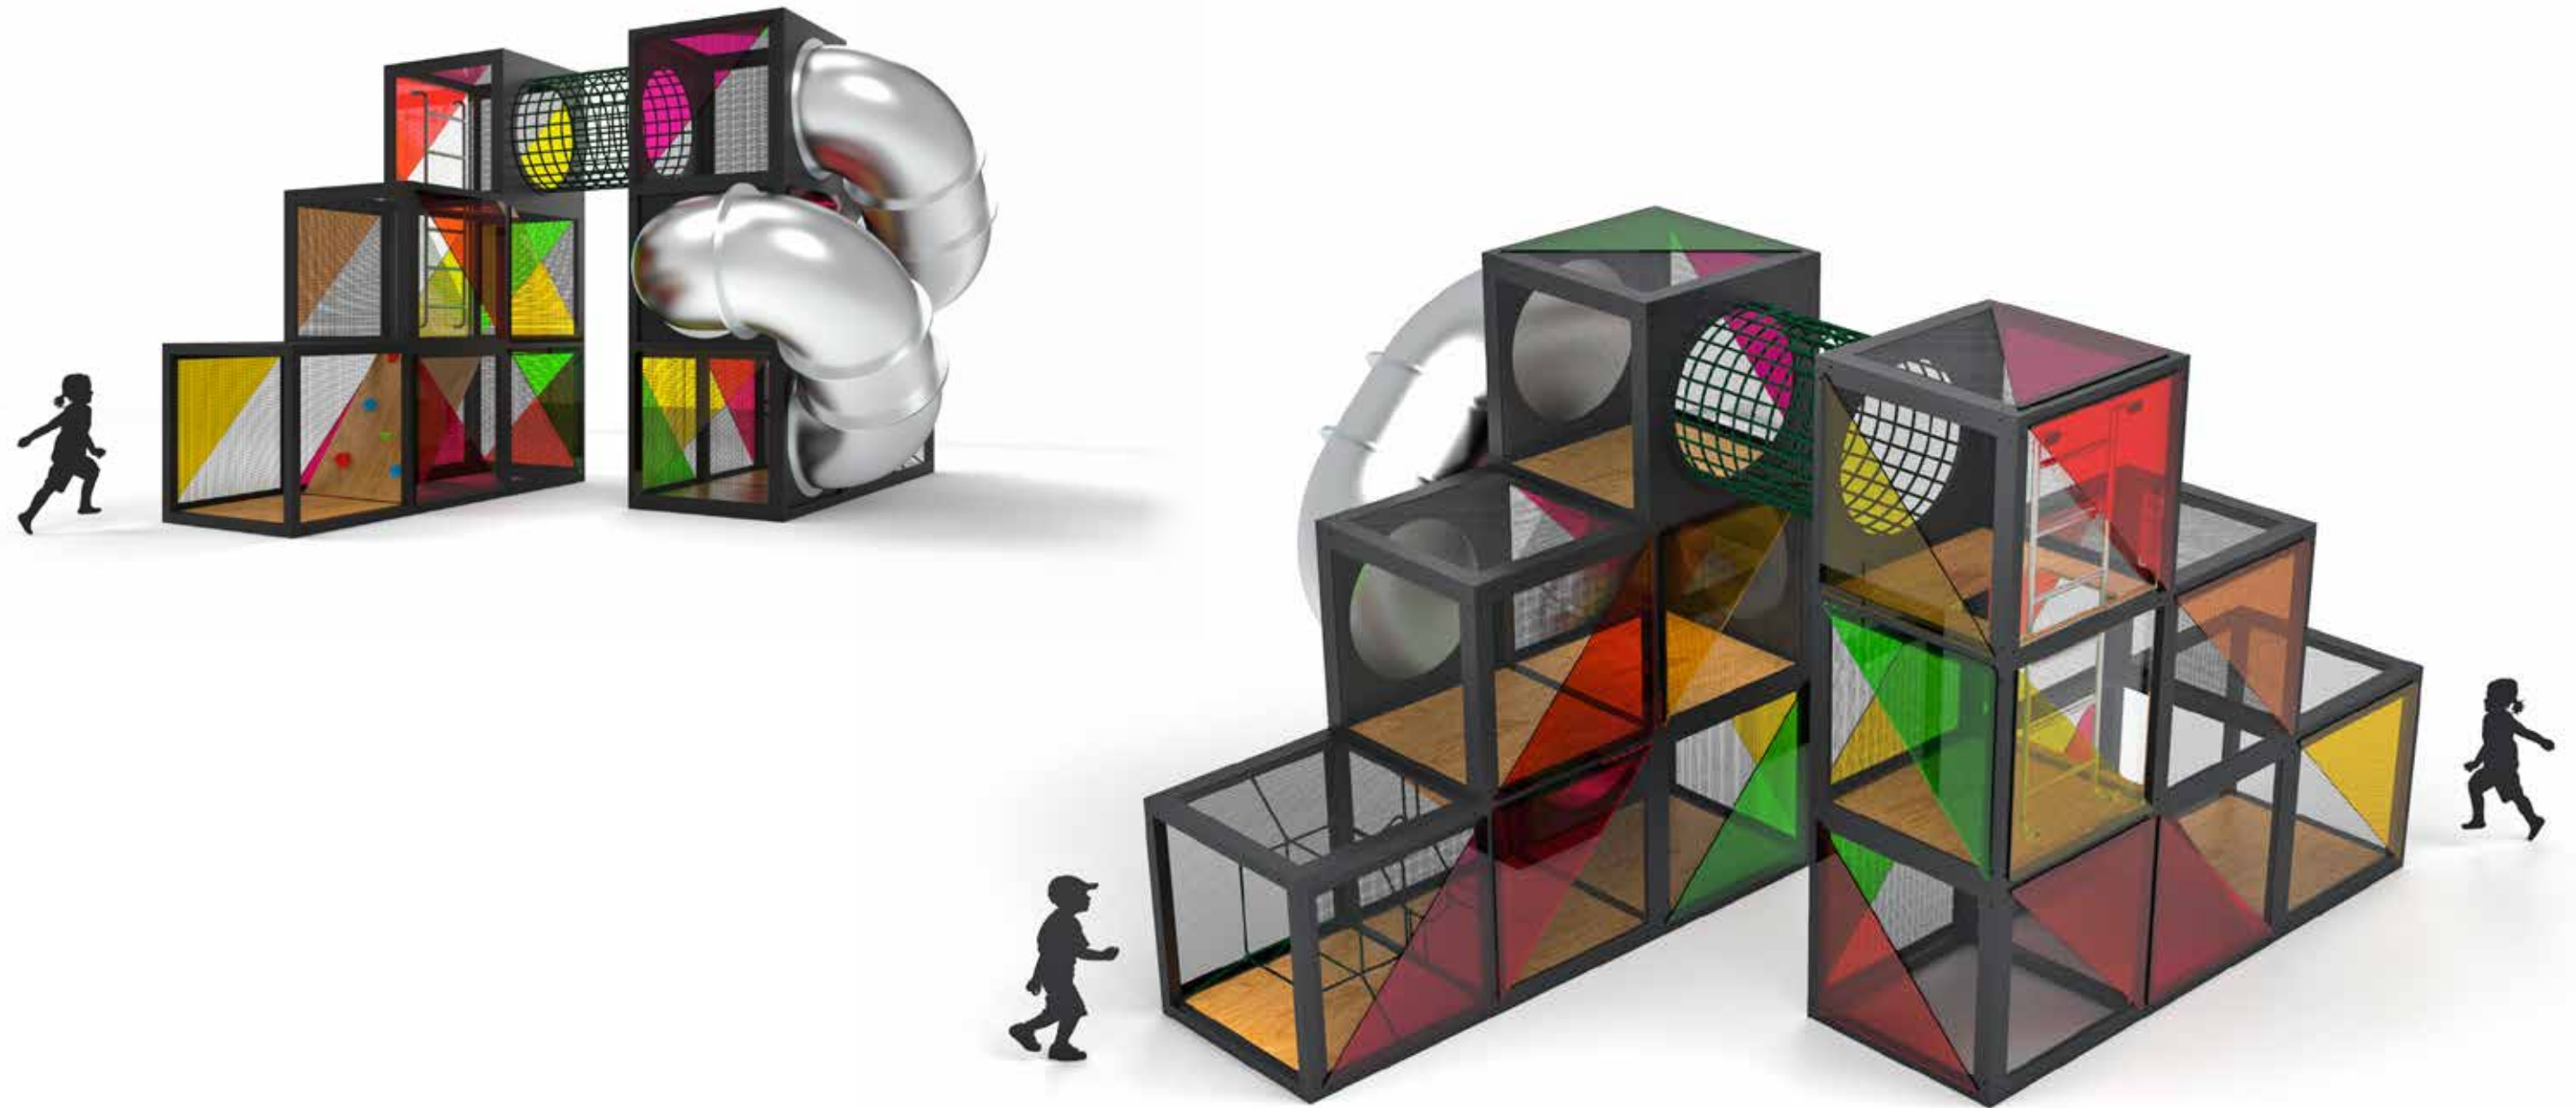

Crawl Tubes to traverse through spaces; available in a selection of colors, and in a Stainless Steel option

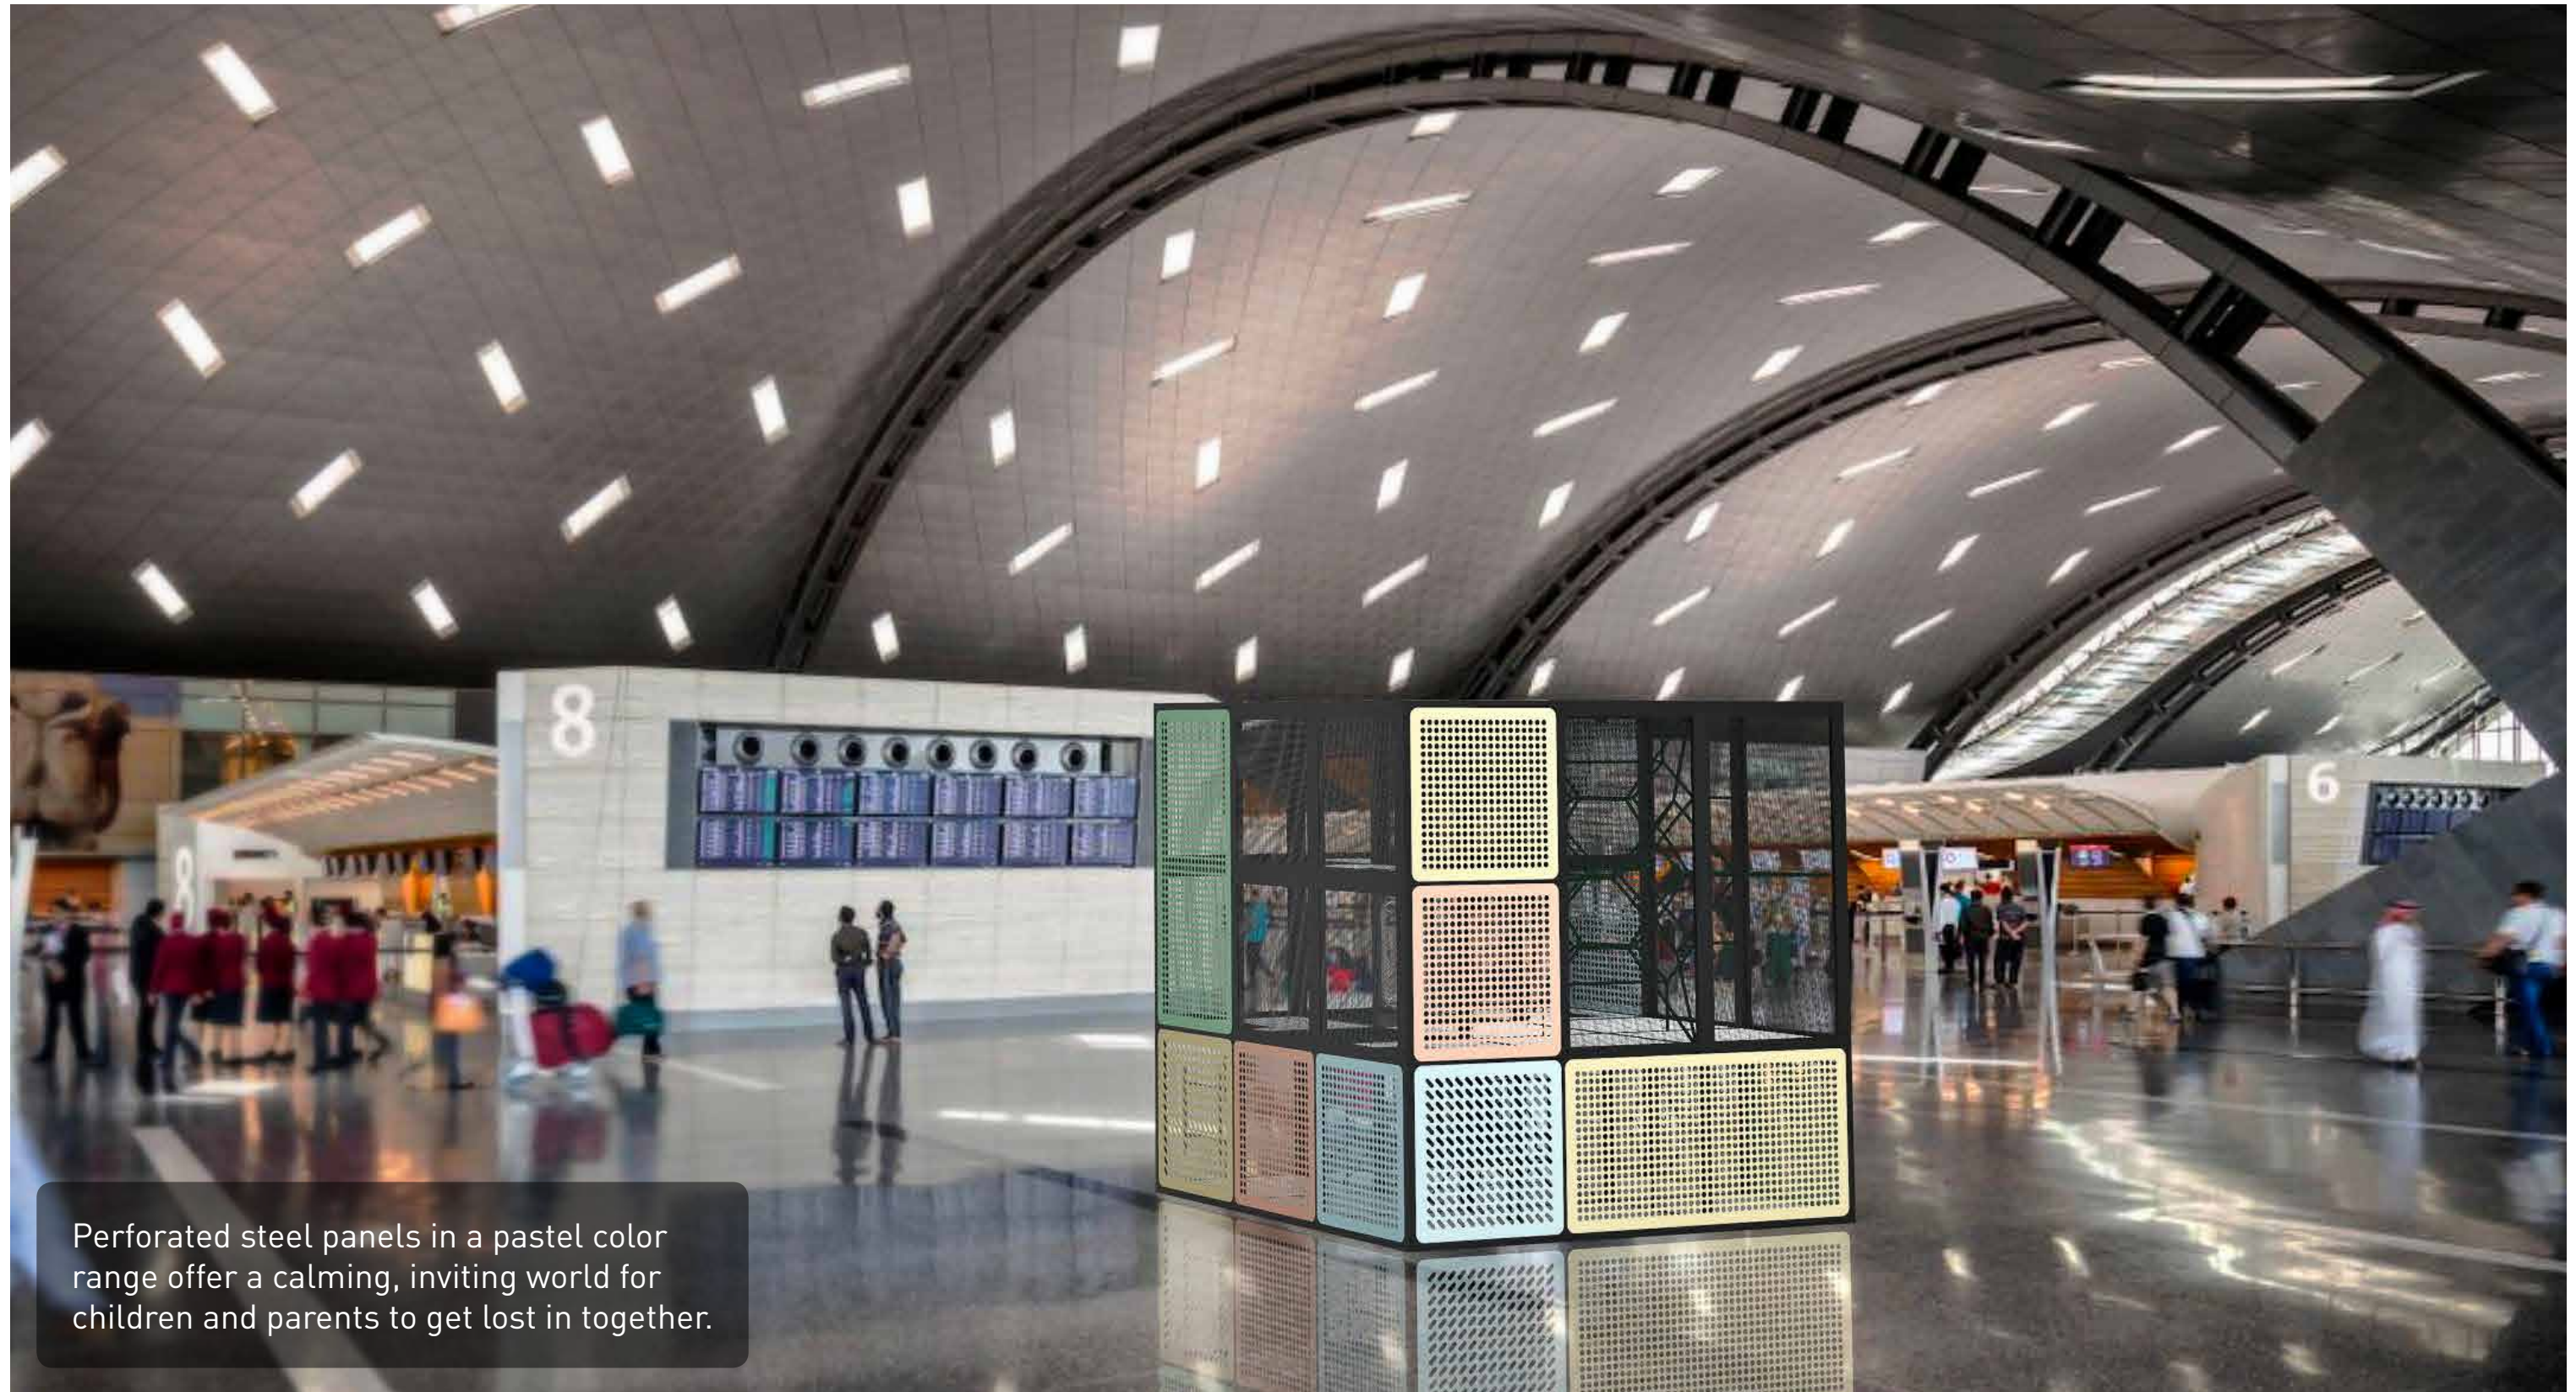

1.0 x1.0M rope panel for balancing and navigating

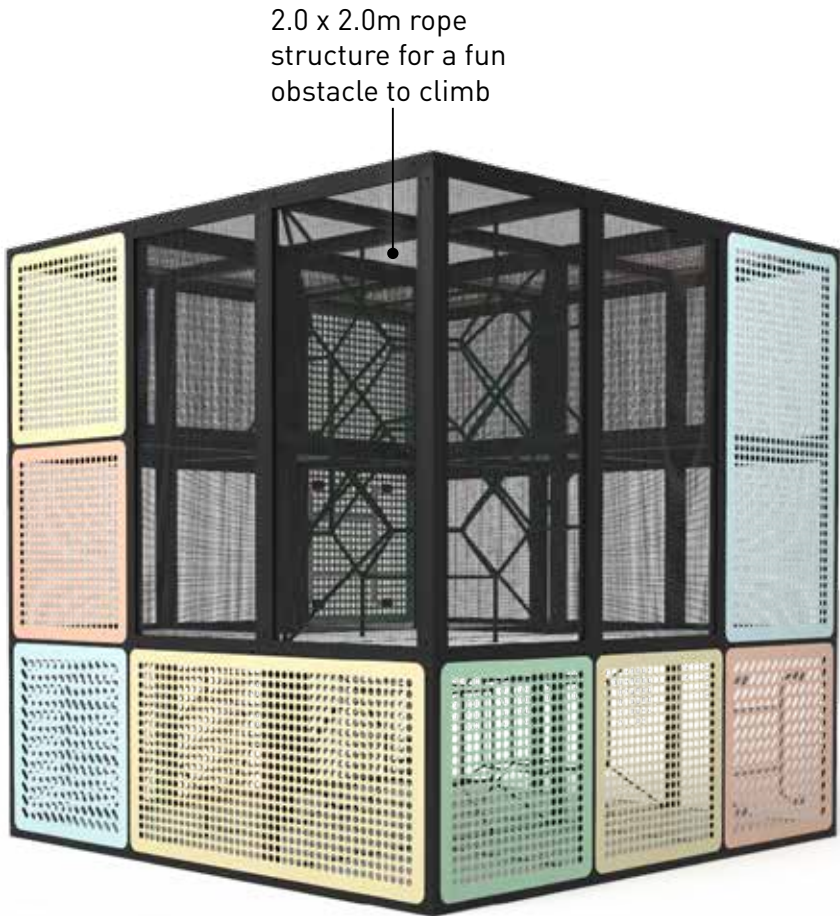

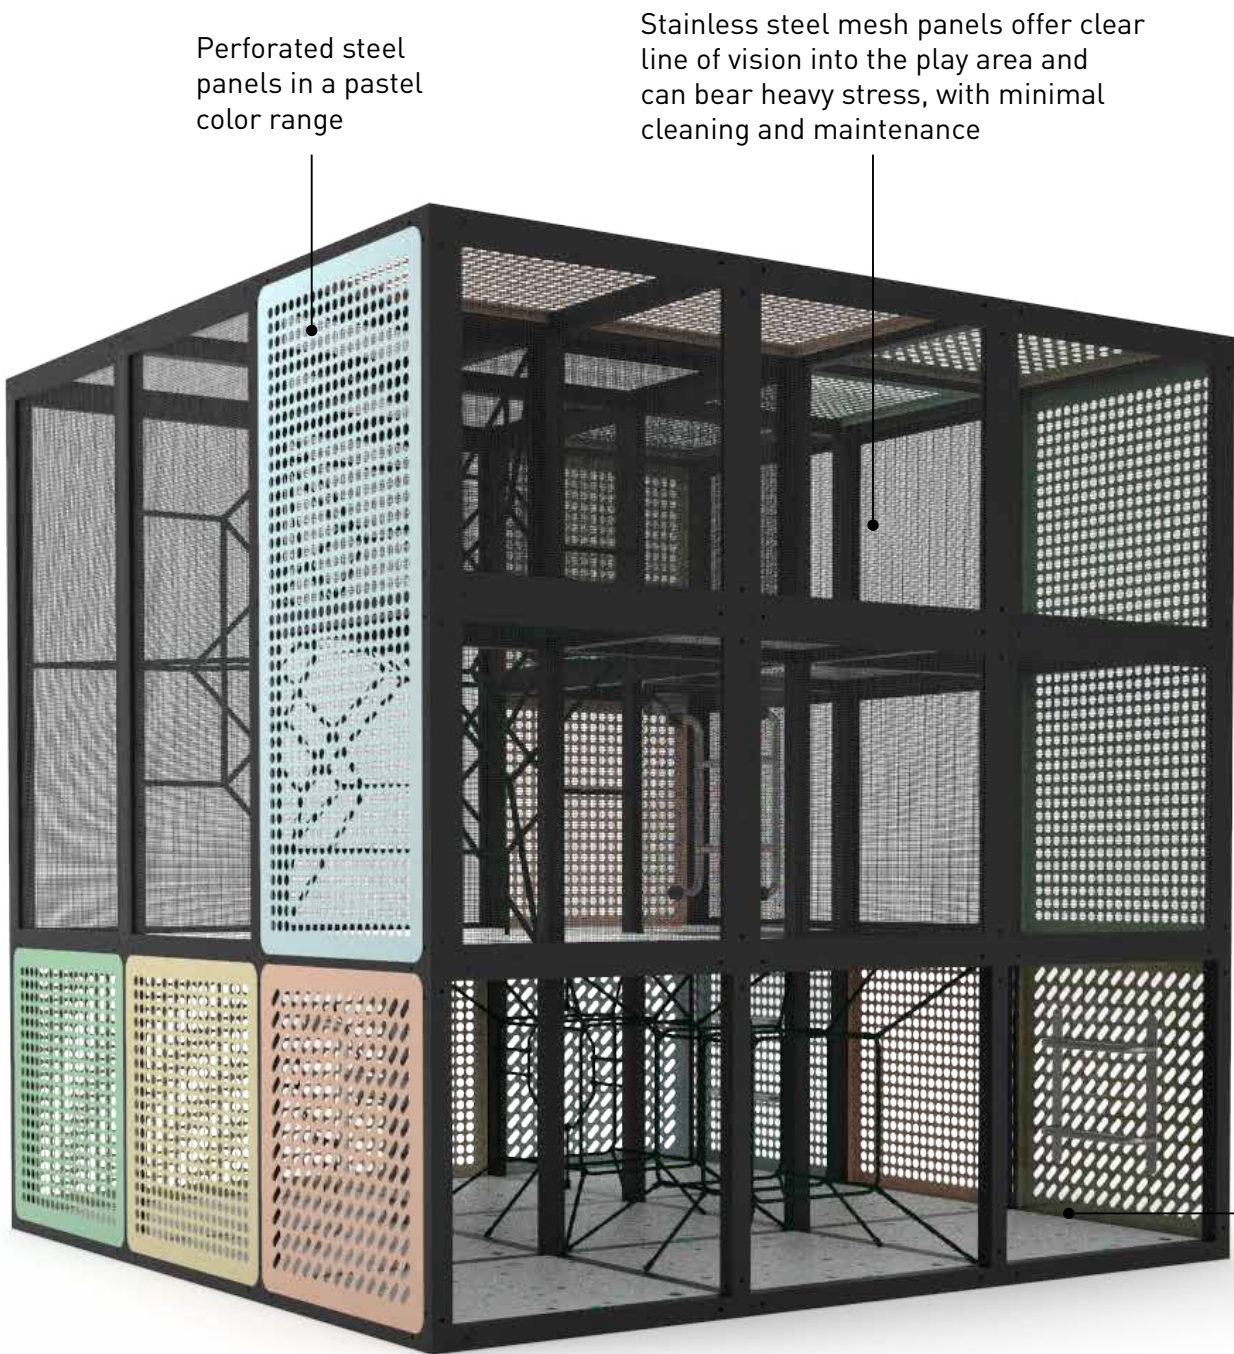

## STYLE 3 - POWDER

Perforated steel panels in a pastel color range offer a calming, inviting world for children and parents to get lost in together.

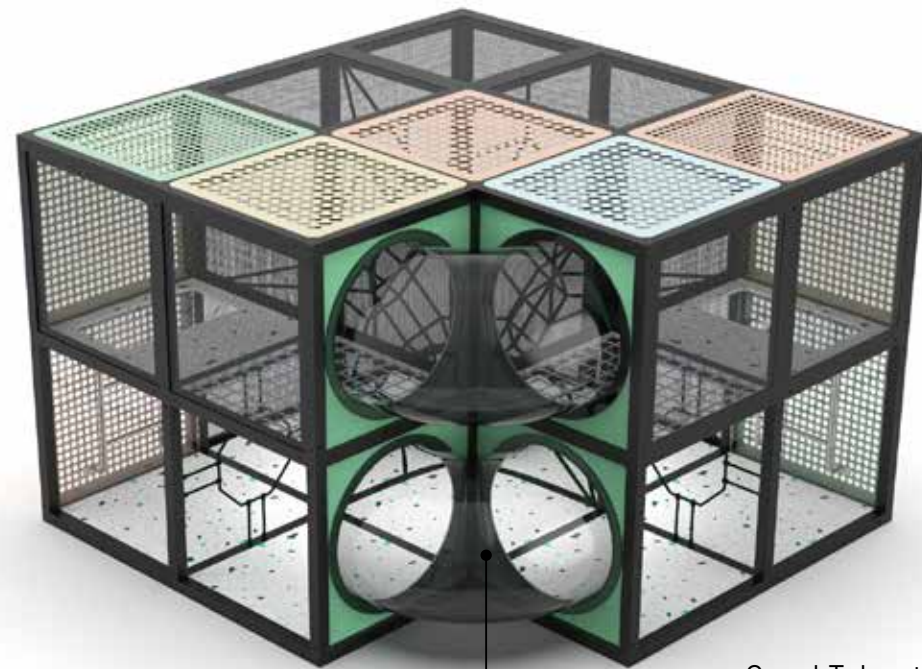

# POWDER | 3x3x3

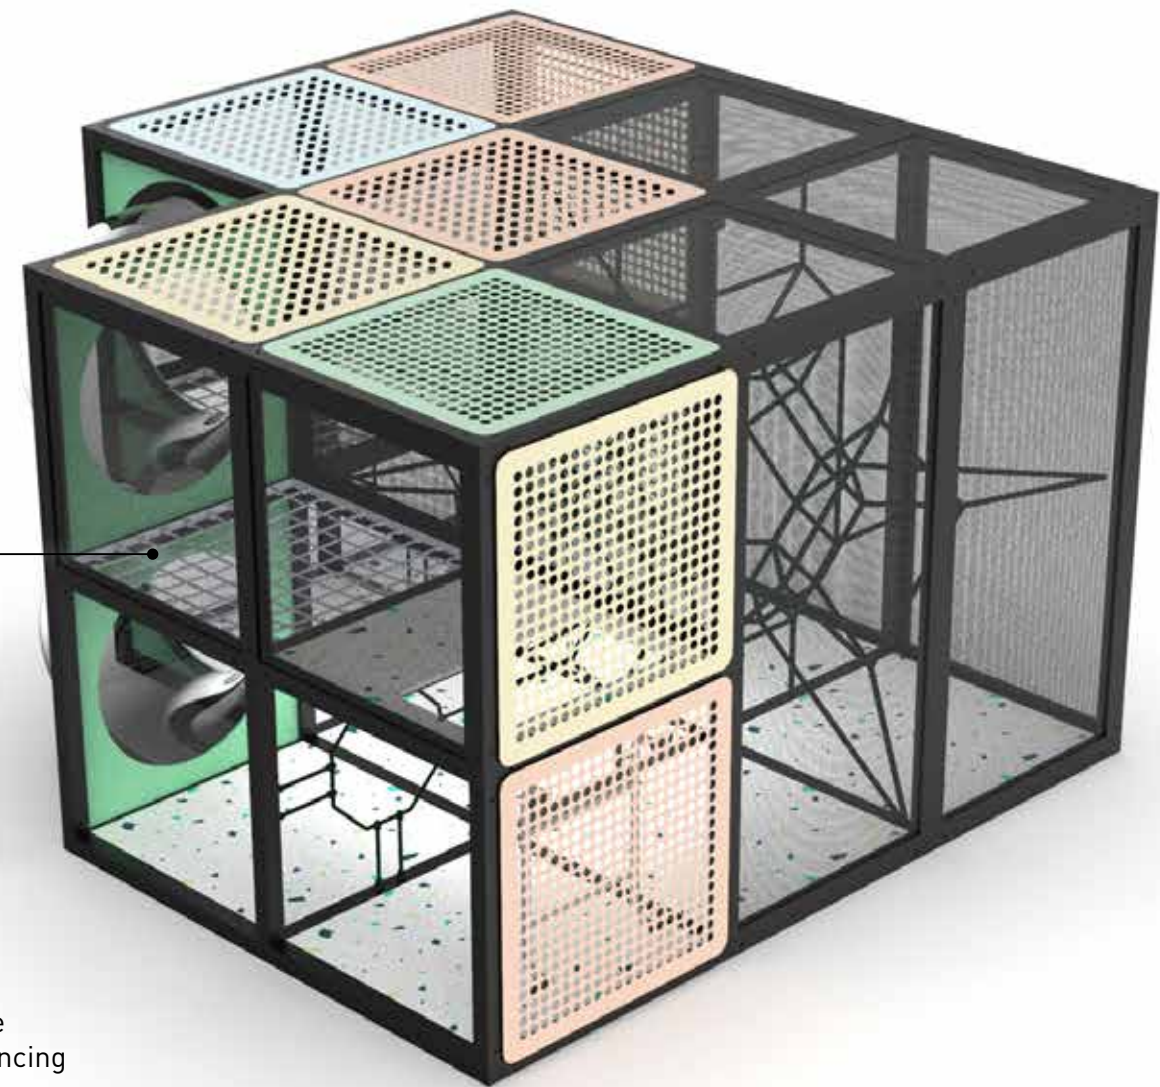

Multiple entry and exit ways

## POWDER | 3x3x2

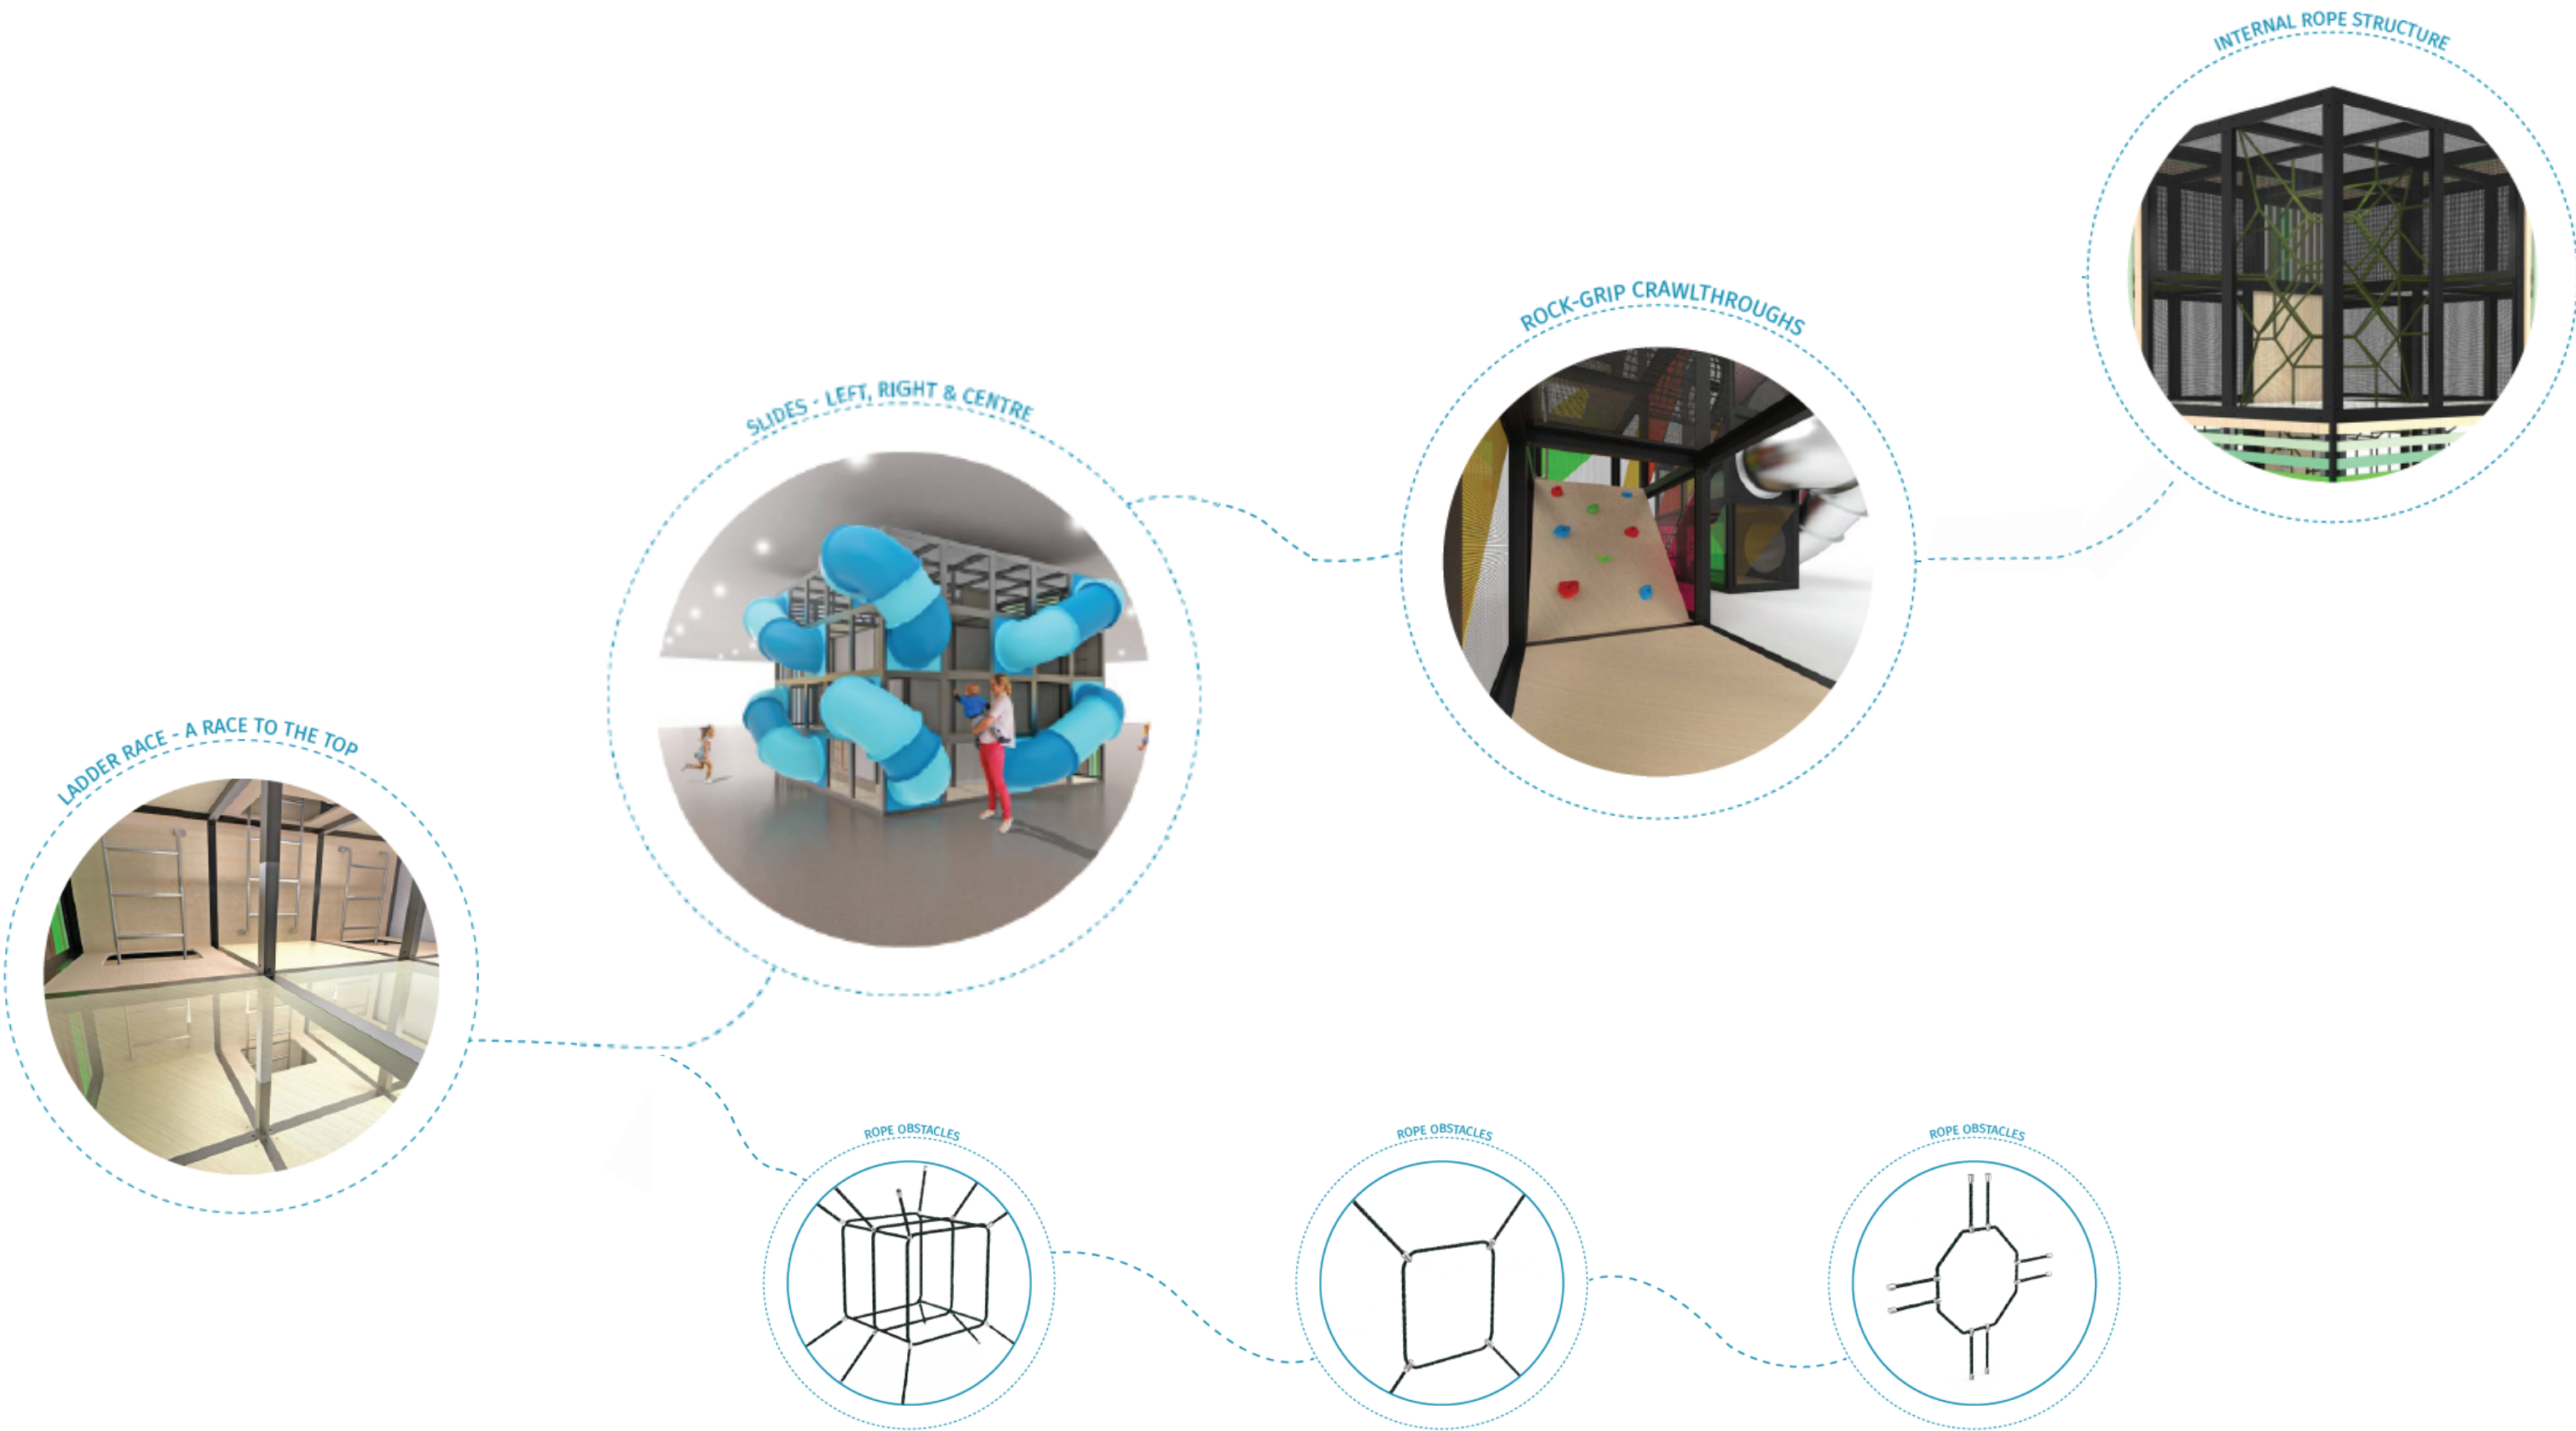

Crawl Tubes to traverse through spaces; available in a selection of colors, and in a Stainless Steel option
